INDIAN ENTRIES.

The Red Man to be Protected in His Rights to the Public Lands.

DEPARTMENT OF THE INTERIOR, GENERAL LAND OFFICE, WASHINGTON, April 28, 1881. To the Surveyors General of the United States.

Gentlemen—The fifteenth section of the act of Congress of March 3, 1875, enacts:

"That any Indian born in the United States, who is the head of a family, or who has arrived at the age of twenty-one years, and who has abandoned, or may hereafter abandon, his tribal relations, shall, on making satisfactory proof of such abandonment under rules to be prescribed by the secretary of the interior, be entitled to the benefits of the act entitled 'an act to secure homesteads to actual settlers on the public domain,' approved May 20, 1862, and the acts amendatory thereof, except that the provisions of the eighth section of the said act shall not be held to apply to entries made under this act: Provided, however, That the title to lands acquired by any Indian by virtue hereof shall not be subject to alienation or incumbrance, either by voluntary conveyance or by judgment, decree or order of any court, and shall be and remain inalienable for a period of five years from the date of the patent issued therefor; Provided, That any such Indian shall be entitled to his distributive share of all annuities, tribal funds, lands and other property, the same as though he had maintained his tribal relations; and any transfer, alienation or incumbrance of any interest he may hold or claim by reason of his former tribal relations shall be void."

The 3d section of the act of May 14, 1880, further enacts:

"That any settler who has settled, or who shall hereafter settle on any of the public lands of the United States, whether surveyed or unsurveyed, with the intention of claiming the same, under the homestead laws, shall be allowed the same time to file his homestead application and perfect his original entry in the United States land office, as is now allowed to settlers under the pre-emption laws to put their claims on record, and his right shall relate back to the date of settlement, the same as if he settled under the pre-emption laws."

The enactments referred to place it in the power of Indians living on the public lands to acquire title thereto in tracts not exceeding 160 acres according to the provisions of the homestead laws as set forth in detail in official circular of October 1, 1880, particularly on page 23 of the same.

It has been officially reported to the honored secretary of the interior that many Indians become settlers on the public lands before survey thereof who fail to take the necessary steps to secure title to the tracts so settled upon by them, through ignorance of their legal rights, and in consequence of such failure their homes and improvements are appropriated by other persons who comply with the prescribed conditions for acquiring title. This report was accompanied with the suggestion "that it be made the duty of surveyors in making surveys of the public lands to note the location of Indian improvements, and to designate tracts occupied by Indians; that the plats be made to show the same, and that the lands returned as improved or occupied by Indians, be withheld from entry."

In presenting the matter for my consideration, under date of the 21st instant, the secretary says: "There is no authority to withhold lands, returned as above mentioned, from disposal; but I think that Indian settlers found upon unsurveyed lands might easily be advised of the privileges extended by the fifteenth section of the act of March 3, 1875, (18 Stats., 420), and the third section of the act of May 14, 1880, entitled 'an act for the relief of settlers on public lands,' by means of a circular to be delivered to them by deputy surveyors as the surveys progress."

My purpose in this is to communicate the views above expressed, and to direct that you cause the same to be carried into practice by furnishing your deputies with copies of this circular, as also of the general circular of October 1, 1880, with which you will be supplied, and instructing them to deliver the same to Indian settlers found upon unsurveyed lands, as the surveys progress. You will further direct your deputies that whenever they find Indian settlements on the lands being surveyed by them, they make proper note thereof, so that the legal subdivisions covered by their respective settlements and improvements may be indicated on the township plats.

Very respectfully, C. W. HALCOMB, Acting Commissioner.

[Approved] S. J. KIRKWOOD, Secretary.

COMMUNION WINE!

Having purchased all the Altar Wines made under the immediate supervision of the Rev. P. J. Kaiser in the vineyards of His Grace, Archbishop Alemany, at the Old Mission San Jose; also the Wines made

FOR ALTAR PURPOSES!

out of Col. Hooper's cellars at Sonoma we herewith respectfully offer them to the clergy and others desiring an absolute pure wine, made with the utmost care, and guaranteed of the vintages represented.

ARPAH HARASZTHY & Co., 530 Washington Street, San Francisco, Cal.

[S. F. Monitor, Aug. 25, 1881.]

The vital importance of having pure Altar Wine for the celebration of the Holy Sacrifice of the Mass is a matter which always gives the greatest concern to the Rev. Clergy, who are also aware of the difficulty experienced in procuring really pure wine by those living in remote regions from grape-producing localities. This difficulty, however, has now been entirely overcome, and every priest throughout the Union can rely upon procuring really pure wine for altar use through the long-established and thoroughly reliable house of Arpad Haraszthy & Co., 530 Washington Street, in this city, who have made arrangements with Rev. P. J. Kaiser to be the sole agents in this city for the sale of all the wines made at the extensive vineyards at the Old Mission, San Jose, as well as the altar wine made by Col. Hooper at Sonoma. The firm of Arpad Haraszthy & Co. guarantee the perfect purity of these altar wines and are prepared to ship them in portable packages, in any quantity desired, and so put up that they will retain all their freshness during consumption. We think the enterprise of the house of Arpad Haraszthy & Co. is worthy of being encouraged, and we hope the Rev. Clergy throughout the Union will avail themselves of this excellent medium in order to secure for Divine Service one of the most essential auxiliaries to its proper celebration.

Rec. Dear Sirs, Referring to our circular, we herewith annex copy of letter addressed to Rev. P. J. Kaiser by the Most Rev. Archbishop Alemany of San Francisco, Cal.

ARPAH HARASZTHY & Co.

ST. MARY'S CATHEDRAL, 628 California Street.

San Francisco, July 19th, 1881.

The venerable Rev. P. J. Kaiser, having to spend some time in the East, for motives of health, may have occasion to speak to those desirous of procuring a genuine article of pure wine.

To all such I would say, that the wines made directly by himself or under his direction, are pure and genuine.

For some years he has had under his charge for me the Diocesan Vineyards of the Old Mission, San Jose, Cal. And these Vineyards he has quite renovated and brought to a state of considerable perfection; therefore I know the wines to be pure and genuine. I have given other letters to wine growers more or less commendatory, but none so strong as I would desire to make this, as in no other case did I have so good means of knowing. And what I say for Father Kaiser's wines, I would say for his Olive Oil produced at the same place.

Very Respectfully, JOSEPH S. ALEMANY, Archb. of San Francisco, Cal.

Having been appointed Sole Agent for the above Celebrated Wine, I offer it in original packages, sealed, as it leaves the Vineyard, or in bottles to suit the purchaser. Its purity cannot be questioned, and it will undoubtedly be much appreciated for family and medicinal uses.

SOLE AGENT

FOR THE TERRITORY OF UTAH.
